

[Xray Cloud] Understanding Xray Cloud version nomenclature

Typically, plugins under Jira Cloud only have one type of version as it is controlled by Atlassian.
It can be found under **Jira admin >> Apps >> Manage apps >> search for your plugin** and click on the drop arrow:

Xray

UPDATE AVAILABLE

Update

Test Management app for Jira cloud - xray;4.005.001

Free update available

Why update?

Minor version update
