

# TTT: Examples using TestNG

Within this page you'll be able to find some examples of automated tests implemented with TestNG.

Since TestNG produces a XML report understandable by Xray, you will be able to process and present those results in Xray.

- [Testing using TestNG in Java](#)
- [Testing web apps in the cloud \(BrowserStack\) using Selenium and TestNG in Java](#)
- [Testing web apps in the cloud \(Sauce Labs\) using Selenium and TestNG in Java](#)
