

What's New

We are always improving Xray.

Check out the new features and/or fixes in our detailed Release Notes below for the **current** and previous versions.

In [Xray's Atlassian Marketplace page](#), you will find an exhaustive list of versions along with their respective release notes, from the oldest to the most recent ones.

Keep up with the latest news

Please follow our blog <https://www.getxray.app/blog/> to keep up with the latest news, including articles and videos about Xray.
