

[Xray Server] Gadgets with wrong label values (gadget.common.field)

There are some known JIRA issues where gadgets do not display proper label values:

☐ gadget.common.field.custom-title.label

☒ gadget.common.field.custom-title.desc

☐ gadget.common.field.r.label

☐ gadget.common.advanced.search

☒ gadget.common.field.use-date-range.label

☐ gadget.common.field.use-date-range.description

There is an issue regarding this: [JRASERVER-59892](#).
