

[Xray Server] Cannot change Xray Issues Type directly on the Issue

You are trying to change any Xray Issue Type into another Issue Type, and you can't do so through the issue directly?

 TXP / TXP-13

Generic

Test Details

Type:

Scenario Type:

Scenario:

Then the result should be <total>

Examples:

num1	num2	total
-2	3	1
10	15	25
99	-99	0
-1	-10	-11

Which, by default, is not included on **Xray's Default Screens**.
