

TTT: Migration

Here you may find some tutorials to assist on the migration of tests and/or related data from other tools into Xray.

- [Examples using Test Case Importer](#)
- [Importing TestLink test cases using Test Case Importer](#)
- [Importing TestRail test cases using Test Case Importer](#)
- [Importing Zephyr Scale test cases using Test Case Importer](#)
- [Importing qTest test cases using Test Case Importer](#)
- [Importing PractiTest test cases using Test Case Importer](#)
- [Importing Qase test cases using Test Case Importer](#)
